

## **REMARKS**

In the final Office Action mailed August 11, 2005, the Examiner (1) allowed claims 1-4, 7-12, 14-19, 21, and 24; and (2) rejected claims 25-32 under 35 U.S.C. § 102(e) as anticipated by U.S. Patent No. 5,930,827 to Sturges et al. ("Sturges").

### **Status and Allowance of Claims**

Applicants thank the Examiner for indicating that claims 1-4, 7-12, 14-19, 21, and 24 are allowable. Claims 1-4, 7-12, 14-19, 21, and 24-32 are currently pending. Claims 5, 13, 20, 22, 23 were previously canceled and claim 6 has previously been withdrawn from consideration.

In this Amendment, Applicants propose canceling claims 25-32. After this Amendment After Final is entered into the file, the only remaining claims will be claims that the Examiner indicated are allowable, specifically claims 1-4, 7-12, 14-19, 21, and 24.

### **Information Disclosure Statements**

Applicants thank the Examiner for considering the Information Disclosure Statements (IDSs) filed in this application. Without explanation, however, the Examiner returned a form PTO/SB/08 from the IDS filed on February 18, 2005, which was only partially signed. Applicants attach a copy of this IDS (with form PTO/SB/08) with a copy of the stamped post card indicating receipt in the PTO. Applicants also enclose a copy of the references that the Examiner did not consider. Applicants respectfully request that the Examiner consider all the references listed on this form PTO-1449 and indicate so by initialing the form.

### **Rejection under § 102(e)**

In the Office Action, the Examiner disagreed with the arguments Applicants presented in the Amendment filed June 28, 2004. Applicants continue to believe that claims 25-32 are allowable over the references of record. To advance prosecution, however, Applicants propose canceling claims 25-32.

After this Amendment After Final is entered, the only remaining claims will be claims that the Examiner indicated are allowable, specifically claims 1-4, 7-12, 14-19, 21, and 24.

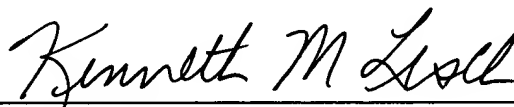

Applicants respectfully request that this Amendment under 37 C.F.R. § 1.116 be entered by the Examiner, thereby placing all pending claims in condition for allowance. The proposed cancellation of claims 25-32 does not raise new issues or necessitate the undertaking of any additional search of the art by the Examiner. Therefore, this Amendment should allow for immediate action by the Examiner.
